

A vibrant, comic-style illustration for a convention poster. The background is a yellow field of black dots. In the upper left, a stylized city skyline with a blue tower and gears is above a red and white circular logo that says 'FANGAEA CON'. Below the logo, a woman with long dark hair and a red bikini top holds a glowing green and purple sword. To her right, a woman with dark hair in a blue top and yellow skirt holds a glowing pink and white sword. Further right, a man with a green headband and a red and black outfit holds a wooden staff with a white cat head. In the bottom right corner, a yellow Pikachu is visible. The text 'SEPTEMBER 14-15TH, 2019!' is written in large, bold, white letters with a red outline, slanted across the middle. Below it, '10AM-6PM SATURDAY & 10AM-6PM SUNDAY' is written in yellow letters with a red outline, also slanted. A red banner with yellow text lists the event's features: 'FEATURING LOCAL & REGIONAL ARTISTS - CEREBRAL PANELS - EXCLUSIVE GIVEAWAYS - VIDEO GAMES & BOARD GAMES'. Below this, another red banner with yellow text reads 'PROGRAM & SCHEDULED EVENTS'. A third red banner with yellow text lists the location: 'SCOTTISH RITE EVENT CENTER - 1895 CAMINO DEL RIO S, SAN DIEGO, CA 92108'. At the very bottom, a red banner with white text provides contact information: 'PLEASE BE SURE TO VISIT US AT FANGAEA.US OR TO FOLLOW US AT @FANGAEACON FOR MORE INFORMATION!'.

WELCOME TO FANGAEA!

BE A PART OF THE NEWEST FANDOM CONVENTION WHERE YOU CAN "LIVE YOUR FANTASY!"

FANGAEA (FAN-JEE-UH) is a multi-faceted, action-packed, fandom event that will feature Table Top and Video Games, Anime, Steam Punk, Cosplay, Technology, Fun Panels, Model Building and so much more! FANGAEA is:

WHERE FANDOMS JOIN FORCES FOR FUN!

Our mission is to have an all-inclusive convention that includes all facets of the nerd, geek, and pop-culture community to come together and celebrate our combined interests in one fun and immersive event. Our fun-filled event will be accessible to all and allow the different fandoms to reach out to new fans and create an exciting opportunity to share their interests with each other.

Get fully immersed in this experience which will include gaming tournaments, cosplay fashion shows, musicians and special cultural performances, vendors, unique apparel, fandom merchandise, and other special surprises! It will be like watching a bad guy getting punched by your favorite superhero!

The FANGAEA concept started in late 2016 as just an idea between a few friends who are big fans of subcultures and the cons that go with them. After being bitten by a radioactive bat-spider, the idea began to turn into reality when more friends got interested in being a part of making something great and fun for fans of all different worlds.

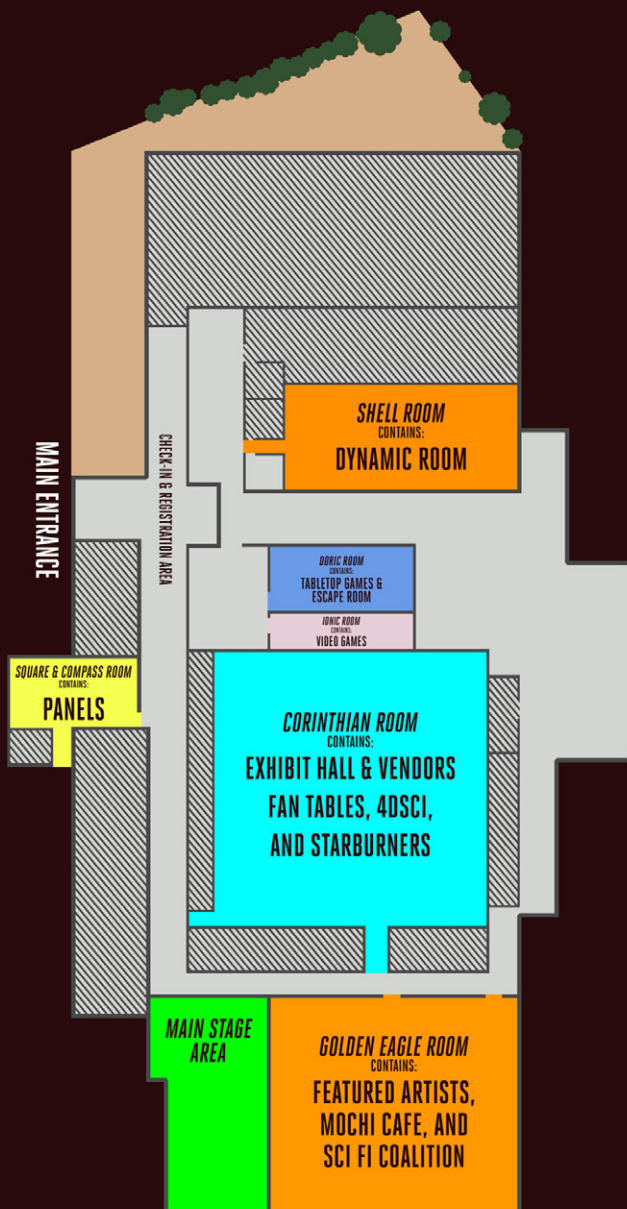

"LET'S BRING ALL THE DIFFERENT WORLDS TOGETHER."

Like a super-continent of fandoms...and so FANGAEA was born.

Our FANGAEA committee is made up of sarcastic, optimistic, fun-loving, joke-cracking fans who are nerds, geeks, gamers, cosplayers, movie lovers, and more, and who love immersing ourselves into experiences and we want to do that for others in a funtastic, all-inclusive event.

JOE OCHMAN

JOE OCHMAN has acted professionally in films, television, stage, commercials, video games, animation, anime and recorded books for almost forty years. For a TV-addicted, movie-cartoon avid-reading-comic-book-sci-fi freak, it's been the perfect way to make a living.

Joe's voice has been heard in diverse roles all over the anime universe in shows such as *Naruto*, *Marvel's Blade*, *Transformers: Robots in Disguise*, *Digimon*, *Gundam Origins*, *JoJo's Bizarre Adventure*, *Hunter x Hunter*, *Twin Star Exorcists*, *Duel Masters*, *Wolf's Rain*, *Cowboy Bebop*, *Mon Colle Knights*, *Shinzo*, and many, many more. In animated TV, Joe recurs as Mayor Billington on Disney Junior's *Doc McStuffins*, and as Mayor Bourgeois (Chloe's father) on *Miraculous: Tales of Ladybug and Cat Noir*.

In the gaming world, Joe most recently worked on *World of Warcraft: Battle for Azeroth*. He voiced (another!) Chloe's father, William Price in *Life Is Strange*. The stage has always been Joe's first love, though, and he has fulfilled that romance in dozens of plays. He also writes for film and TV, coaches acting to an eclectic celebrity clientele (including *Guardians Of The Galaxy*'s Dave Bautista and Rock Legend Alan Parsons), and is an award winning stage director.
