.: LOGO, MASCOT, PROGRAM BOOK & VISUAL PRESENTATIONS BROUGHT TO YOU BY NATASHAGEMINE.COM :.

You are invited to be a part of the Awesomest Pop Culture and Fandom Convention "Where fan worlds collide!"- Fangaea! Fangaea (fan-JEE-uh) will be taking place on Sunday, May 1, 2022 from 10:00 am to 10:00 pm at the Scottish Rite Event Center in San Diego!

FANGAEA (FAN-JEE-UH) is a multi-faceted, action-packed, fandom event that will feature Tabletop and Video Games, Anime, Steam Punk, Cosplay, Technology, Fun Panels, Model Building and so much more! FANGAEA is:

WHERE FAN WORLDS COLLIDE — FOR FUN!

Our mission is to have an all-inclusive convention that includes all facets of the nerd, geek, and pop-culture community to come together and celebrate our combined interests in one fun and immersive event. Our fun-filled event will be accessible to all and allow the different fandoms to reach out to new fans and create an exciting opportunity to share their interests with each other.

Expect an extraordinary experience featuring panels ranging from breaking into industry, to hands-on DIY, to a special cerebral line-up of esoteric panel discussions.

Get fully immersed in this experience which will include gaming tournaments, cosplay fashion shows, musicians and special cultural performances, vendors, unique apparel, fandom merchandise, and other special surprises! It will be like watching a bad guy getting punched by your favorite superhero!

The FANGAEA concept started in late 2016 as just an idea between a few friends who are big fans of subcultures and the cons that go with them. After being bitten by a radioactive bat-spider, the idea began to turn into reality when more friends got interested in being a part of making something great and fun for fans of all different worlds.

"LET'S BRING ALL THE DIFFERENT WORLDS TOGETHER."

like a super-continent of fandoms...and so Fangaea was born.
